Provide an extra service
in your community and
increase your customer
traffic — *Easy!*

Easy printing for your customers!

- ✓ Easy to use, intuitive touch-screen interface
- ✓ Print from most popular digital media, CD and DVD
- ✓ Print 6 x 4 and 8 x 6 without changing the media
- ✓ Sony quality prints in gloss or matt
- ✓ Add borders, calendars or overlay custom graphics
- ✓ High speed printing means less waiting time.

Easy profit for you!

- ✓ Easy to setup — just plug it in and load the media
- ✓ Free phone support for first 12 months, with option to extend
- ✓ Compact all-in-one kiosk and printer
- ✓ Easy maintenance
- ✓ Extended warranty available.

ONE-SHOT PASSPORT SYSTEM

System includes:

- ✓ Advanced digital printer
- ✓ Quality digital camera
- ✓ Shadow elimination box
- ✓ Promotional signage
- ✓ Media for 200 prints

Our **ONE-SHOT** Passport System is simple to use, takes the guess work out of taking passport and ID photos and makes sure that an approved photo is achieved first time, every time, in only a few minutes.

- ✓ Prints most international passport sizes, and has pre-programmed passport templates for many countries
- ✓ Low production cost with high margin — the system pays for itself before you need to order additional print media
- ✓ Minimal wastage — adjust image before printing
- ✓ Advanced digital printer will print from almost any media card
- ✓ Easy to operate and maintain — no computer needed
- ✓ 12 months 'back to base' warranty on all components.

Make a profit and extend
your customer base!
